

Join Theridion to:

- View any of your **existing** CCTV cameras at any of your remote sites
- Click to see what's happening at each site
- Check COVID-19 compliance in each part of each building, remotely.

Get real-time reassurance remotely about each site's safety and performance during COVID-19

Check each critical step of the customer journey, live or from recordings. For example, when adapting for takeaway food:

OUTSIDE

Check:

- ✓ Demand pattern, queue lengths, social distancing, 'walkaways'
- ✓ Separate entrance and exit respected
- ✓ Hand-sanitiser regularly replenished

WAY IN

EXIT

SERVICE

Check:

- ✓ Speed of transaction, customer flow in site
- ✓ Team compliance with guidance at POS and collection areas

PAYMENT

COLLECTION

KITCHEN

Check:

- ✓ Food safety, storage and preparation procedures followed
- ✓ Food preparation areas cleaned according to COVID guidelines
- ✓ Staff wearing food prep and PPE required

STAFF

Check:

- ✓ Hygiene routines, social distancing
- ✓ Any PPE or uniform cleaning or disposal
- ✓ Cleaning of staff areas and toilets

WASTE

Check:

- ✓ Staff wearing appropriate PPE when handling waste
- ✓ Waste and recycling streams managed correctly
- ✓ Potential COVID-19 waste bagged appropriately
